SPEAKER WITHEM: Senator Crosby.

SENATOR CROSBY: Thank you, Senator Withem. And I thank you, Senator Wickersham, for letting me put this into this bill, since it is an across-the-board accomplishment. What we are doing with this amendment, it is actually LB 1268, which came out of committee but it wasn't a priority. It provides for a preretirement planning program for all members and employees of the retirement system who have attained the age of 50 or within five years of qualifying for retirement. This amendment clarifies that the employer shall provide these people leave with pay to attend these seminars twice. It also clarifies that the leave cannot be vacation, sick, personal, or compensatory
